1. Establishment and Management of the Fund

Umoja Unit Trust Scheme, also known as “Umoja Fund” is a collective investment scheme formed by the Unit Trust of Tanzania (UTT), a government sponsored institution that was incorporated on 19th June 2003 under the Trustees Incorporation Act. Umoja Unit Trust Scheme was established under the Deed of Trust of the Umoja Unit Trust Scheme, on 12 May 2005 and is regulated by Capital Markets and Securities (Collective Investment Schemes) Regulations 1997, prescribed under Capital Markets and Securities Act, 1994.

The Fund was managed by the Unit Trust of Tanzania Registered Trustees up to 30 September 2013 and thereafter by UTT AMIS, a Registered Fund Manager who has set up a management structure to carry out the day to day operations of the Fund. The duties of the Manager are specified in Section 4.0 of the Offer Document.

The Custodian of the Fund is CRDB Bank Plc, a commercial bank licensed to carry out banking business under the Banking and Financial Institutions Act, 2006. The duties of the Custodian are specified in Section 5.3 of the Offer Document.

2. Principal Activities and Investment Objectives

The principal activity of the Fund is to invest the pooled funds into a balanced portfolio that enables both high and low income investors diversify risk and obtain competitive returns over the medium and long term through capital growth.

The main objective of the Fund is to empower Tanzanians through wide ownership of its units and encourage a culture of savings in financial assets. It also gives Tanzanians an opportunity to acquire a stake in privatisation, further participate in the capital markets and obtain a good return on their investment.
