#### 1. Establishment and Management of the Fund

Children's Career Plan Unit Trust Scheme, also known as "Watoto Fund" is a collective investment scheme formed by the Unit Trust of Tanzania (UTT), a government sponsored institution that was incorporated in 2003 under the Trustees Incorporation Act. Watoto Unit Trust Scheme was established under the Deed of Trust of the Children's Career Plan Unit Trust Scheme, on 01<sup>st</sup> October 2008 and is regulated by Capital Markets and Securities (Collective Investment Schemes) Regulations 1997, prescribed under Capital Markets and Securities Act, 1994.

The Fund was managed by the Unit Trust of Tanzania Registered Trustees up to 30 September 2013 and thereafter by UTT AMIS, a Registered Fund Manager who has set up a management structure to carry out the day-to-day operations of the Fund. The duties of the Directors and the Manager are specified in Sections 2.2 and 4.0 of the Offer Document respectively.

The Custodian of the Fund is CRDB Bank Plc, a commercial bank licensed to carry out banking business under the Banking and Financial Institutions Act, 2006. The duties of the Custodian are specified in Section 5.3 of the Offer Document.

### 2. Principal Activities and Investment Objectives

The principal activity of the Fund is to invest the pooled funds into a balanced portfolio that enables both high and low income investors to diversify risk and obtain competitive returns over the medium and long term through capital growth.

The main objective of the Fund is to empower Tanzanians through wide ownership of its units and encourage a culture of savings in financial assets. It also gives Tanzanians an opportunity to acquire a stake in privatisation, further participate in the capital markets and obtain a good return on their investment.

## 4. Sale and Re-purchase of Units of the Fund

The Fund is open for sale and re-purchase of units. The Fund allows partial or full repurchase upon a beneficiary's child attaining 12 years of age as stated in Section 27.2 of the Offer Document. The sale price is based on the applicable Net Asset Value (NAV) per unit without charging an Entry Load. An Entry Load is a cost charged to the investor to compensate issuing costs and is charged at the time an investor purchases the units of a scheme.

For re-purchases, an Exit Load of 1% of Net Asset Value (NAV) is charged for redeemable units held for a period of less than three years. Whereas for investments held for more than three years no exit load is charged. An exit load is a cost charged to the investor at the time of repurchasing the units of the Fund. It is deducted from NAV at the time of redemption of units.

### 5. Risk Warning

Investment in unit trusts should be regarded as medium to long term investment. Investors should note that investments in the Scheme are subject to market risks and the Net Asset Value (NAV) of the Scheme may go up or down depending upon the factors and forces affecting the securities market. Past performance does not guarantee future performance.

### 6. Solvency

Solvency is the ability of the Fund in meeting its long-term financial obligations. This can be established through the Fund's Statement of Financial Position at 31<sup>st</sup> December 2024 herewith indicated. The directors consider the Fund to be solvent.
